

# Commercial Rebate Program

The Village of Sherburne is offering commercial and industrial customers financial incentives (rebates) for energy efficiency projects. The program's goal is to promote investment in new high quality lighting and motor equipment that operates at a very high level of electrical efficiency.

## **Do I qualify to participate in the Commercial & Industrial Customers Rebate Program?**

Commercial and Industrial customers classified as Service Class 2, 3 and 9 in the Sherburne Electric service territory are eligible to participate in the program.

## **How do I participate in the Program?**

If your total rebate will be under \$1000, all you need to do is submit the rebate form, original purchase receipt and the Energy Guide label or proof of energy rating. If your total rebate for a project is over \$1000, you will need to contact the Village to receive pre-approval for the project.

## **How will I receive the rebate?**

Rebates will be sent out in the form of a check. Make sure you communicate your mailing address and not just the physical address of the facility!!!

## **Is there a limit on how much I can claim on rebates?**

Yes, companies are limited to a maximum of \$2,500 of rebates annually.

## **What is not included in the rebates?**

The cost of installation.

*Do your part to conserve our  
Hydro Power!!!!*

### Conditions of Offer

The Village of Sherburne is not liable for and does not guarantee the performance of any product, the actions of any contractor who installs a product or energy savings associated with products. The customer is responsible for payment of all taxes associated with this program. The Village of Sherburne reserves the right to terminate or modify this program at anytime. The Village of Sherburne reserves the right to inspect any job conducted under this program.

If you have any questions concerning the Rebate Program, please contact:
